

Dingley Primary School Transporting Students Policy

1. Rationale:

1.1. Dingley Primary School will provide safe travel for students within current Department of Education and Training (DET) guidelines.

2. Aims:

2.1. Dingley Primary School aims to ensure that students travel safely within school hours, and in a manner consistent with DET policies and regulations.

3. Implementation:

3.1. In line with DET guidelines, Dingley Primary School will always use seat-belted buses whenever they are available.

3.1.1. Where seat-belted buses are not available, parents/carers will be advised.

3.2. The use of private cars is discouraged as per the DET School Policy and Advisory Guide. (see resources)

3.2.1. Where it is deemed necessary to use a motor vehicle for school activities, the owner of the vehicle must have a current comprehensive insurance policy; which must be sighted by the Principal prior to any approval being given.

3.2.2. The owner of the vehicle must complete all required documentation related to the use of private motor vehicles.

3.2.3. Dingley Primary School will advise parents/carers that their child may be transported in a private vehicle.

3.2.4. Dingley Primary School will keep accurate records of the students travelling in each vehicle, in case of an accident occurring.

3.3. In the event of any traffic accident or any type of incident, the Emergency and Security Management Unit will be notified on 03 9589 6266 (twenty four hours) as soon as practicable after any necessary emergency services have been called.

3.6. In cases where students have been transported to a particular location and a parent/carer wishes to take their own child/ren from the location at the conclusion of the activity, written or verbal parent/carer consent is required to be given to the supervising teacher to ensure Duty of Care is fulfilled by Dingley Primary School.
